When Can I Start Saving?

All employees are eligible to participate in the plan on the first entry date.

Entry date is immediate after service requirements, if any, are met.

Your Contributions

Participants may contribute to the plan on a pre-tax basis.

Your plan also offers a Roth feature, which allows you to contribute to your retirement account on an after-tax basis. Your contributions will be deducted from your paycheck after-tax and earnings on Roth contributions will be tax-free upon withdrawal (if certain conditions are satisfied).

These contributions, known as "elective deferrals," must fall within the following range:

Minimum 1 percent of compensation

Maximum 75 percent of compensation, \$23,000 in 2024 (additional \$7,500 if age 50 or older) or maximum allowed by law, whichever is less

How Will My Money Be Invested?

You can choose how your contributions are invested among the plan's available investment options. If you do nothing, they will be invested in your plan's default investment.

Your Employer's Contributions Can Help You Save More
