

PROTECT YOUR FAMILY AND YOUR FINANCES

In a medical emergency every second counts, especially when transporting patients who are far away from adequate medical treatment. AirMedCare Network (AMCN) providers respond to scene calls and provide hospital-to-hospital transports—carrying seriously ill or injured patients to the nearest appropriate medical facility.

AirMedCare Network is America's largest air medical membership network, providing financial protection for emergency air medical transport. Even with medical insurance, air medical transport can result in significant out-of-pocket expenses, however, membership ensures no out-of-pocket expenses for medically necessary flights only if flown by an AMCN provider. Membership starts at just \$99 per year, with Senior and multi-year discounts available, and automatically enrolls you in all provider programs, giving you coverage in over 320 locations across 38 states.
